0533960513

Saeed.o.shahrani@gmail.com

Experienced System analyst with a bachelor's degree in management information systems from Jubail University College, having a good knowledge in IT, computer networks, information security and business system analysis & design.

EXPERIENCE

MARCH 2021 – PRESENT

SYSTEM ANALYST, NOURNET

As a member of NourNet Network Operations Center & Data Center team, I'm responsible for all data related to Data Centers including visitors' information, equipment, power & network devices, customers information.

Documenting & communicating weekly and monthly reports with customers and management.

Developing an internal visitor management system to reduce paperwork to smart dynamic secure system.

JUNE 2019 – DECEMBER, 2019

COOP TRAINEE, SYSTEM ANALYST, SAUDI ARAMCO

Cooperative training with Saudi Aramco at Information Security Department as a member of Technical Support Group. My role is to manage and track all department's common activities including safety, operational excellence, and representing the department for other internal and external organizations.

EDUCATION

JAN 2020

BACHELOR OF MANAGEMENT INFORMATION SYSTEMS, JUBAIL UNIVERSITY COLLEGE

Bachelor's degree of science in the field of Management Information Systems with a (Very Good) grade and a GPA of (2.92) out of (4).
