PROFILE

Computer Engineer at Faculty of Engineering at King Abdulaziz University, Jeddah. Certified Cloud Computing and Cloud Developer, Experienced IT Technician, C-Language Programmer, and Well qualified instructor with more than twelve years' experience in teaching computer laboratories for several undergraduate courses such as Programming with (Assembly, Shell, C, and Java) , Computer Networks, Databases System (MySQL, Oracle, and MS-SQL), PIC Micro-controllers, Linux Operating System, and Data Structures.

EXPERIENCE

Computer Engineer King Abdulaziz University, Jeddah, Saudi Arabia	Apr 2015 – Present
Computer Engineer Assistant King Abdulaziz University, Jeddah, Saudi Arabia	Jun 2010 - Apr 2015
Network Administration Internship Saudi Business Machine (SBM), Jeddah, Saudi Arabia	Mar 2010 – Jun 2010

EDUCATION

B.Sc. Electrical and Computer Engineering King Abdulaziz University, Faculty of Engineering, Jeddah, Saudi Arabia	Jun 2004 – Jun 2009
---	----------------------------

OTHER COURSES

Coursework towards MSc. In Electrical and Computer Engineering King Abdulaziz University, Faculty of Engineering, Jeddah, Saudi Arabia	May 2014 – Jun 2016
--	----------------------------

- Computer Architecture
- Artificial Intelligence
- Research Methods
- Software Engineering
- Neural Networks

Computer Network Administrator Saudi Business Machine (SBM), Jeddah, Saudi Arabia	Mar 2010 – Jun 2010
---	----------------------------

- Deploying Windows Vista Operating System
- Linux as Web Server
- Deploying Windows Server 2008
- Linux Integration with Windows
- Linux System Administration
- IBM Tivoli Storage Manager
- Linux Network Administration
- IBM Tivoli Network Manager

TRAINING AND WORKSHOPS

IEEE PES ISGT MIDDLE EAST (ISGT ME 2011) Crown Plaza Hotel, Jeddah, SA	Dec 2011
Science Direct.Scopus.Sage.Gale Workshop King Abdulaziz University, Jeddah, SA	Dec 2011
ORACLE DBA Workshop King Abdulaziz University, Jeddah, SA	Jul 2009
LabVIEW King Abdulaziz University, Jeddah, SA	Mar 2009
Leadership and Communication Skills King Abdulaziz University, Jeddah, SA	Jan 2008

PROFESSIONAL CERTIFICATES AND MEMBERSHIPS

- | | |
|---|----------------------------------|
| • Institute of Electrical and Electronics Engineers (IEEE) | Membership no. (92130436) |
| ◦ IEEE Computer Society Membership | |
| ◦ IEEE Robotics and Automation Society Membership | |
| • Saudi Council of Engineers (SCE) | Membership no. (284406) |
| • Alibaba Cloud Certified (Professional Cloud Computing) | 7 Mar 2023 – 7 Mar 2025 |
| • Alibaba Cloud Certified (Associate Cloud Computing) | 13 Feb 2023 – 13 Feb 2025 |
| • Alibaba Cloud Certified (Developer) | 27 Jan 2023 – 27 Jan 2025 |
| • Google Cloud Certified (Cloud Digital Leader) | 4 Dec 2022 – 4 Dec 2025 |
| • IELTS (6.5) | 27 Mar 2022 |
| ◦ Listening (7.0) | ◦ Writing (6.0) |
| ◦ Reading (6.0) | ◦ Speaking (6.5) |

FIELDS OF INTERESTS

Computer Networks Infrastructure, Servers, Cloud Computing, Embedded Systems, IoT, Automation, Bipedal Motion, Robotic Morphology, Cognitive Robotics, Assistive Robotics, and Distributed Systems.

SKILLS

- **Teaching, Training, and Conducting Workshops**
- **Planning and Managing**
 - Curriculum and Training Courses for Labs
 - Technical Tasks (e.g., Lab Equipment Maintenance, Computer Systems Update, Software Licenses Management, etc.)
- **Communication and Representation**
 - Represented The Department of Electrical and Computer Engineering, King Abdulaziz University, Jeddah at:
 - IEEE ISGT ME 2011
 - King Abdulaziz University 5th Scientific Forum
