

Mohamed Hamdy

Cairo, Egypt | 00201114763285. Riyadh, KSA 00966 582724731 | hamdy2855@gmail.com

Professional Summary

With computer science background and technical knowledge, I have a proven experience as **SAP ABAP/ Workflow/ Web Dynpro Consultant for about 6 years** handling a lot of projects in and outside Egypt, and had worked on wide range of functional areas like (PM, CS, RE, MM, SD, HCM, FICO, QM and Healthcare)

Work History

- 1- SAP ABAP/Workflow/Web Dynpro Consultant | Smart Consulting Solutions | 05/2016 to 10/2019.
- 2- SAP Senior ABAP/ Web Dynpro Consultant | Electronic Government Authority (EGA) | Ras Al Khaimah Government (RAK) | Egypt Office | 11/2019 to 01/2020.
- 3- SAP Senior ABAP/Workflow/DMS Consultant | INNOVATECH | 02/2020 to 10/2020.
- 4- SAP Senior ABAP /DMS Consultant | Atos | 11/2020 to 08/2022
- 5- SAP Senior ABAP/ Workflow Consultant | Johnson Controls | Saudi Arabia Office (Al Salem Johnson Controls) 09/2022 to Current

- Besides coding and developing a SAP modules' customizations, I am performing a number of other tasks, some of which are given below:
- Consulting with professionals from other departments and those working on specific SAP modules such as SAP FI/CO, MM, HR, PM, PP, Healthcare and CS to ensure a consistent experience to the various users on the client's side.
- Writing the code using ABAP programming language based on the blueprint provided by the clients and performing regular tests on the usability of the code.
- Providing technical support to the end users in the form of troubleshooting guidelines and modifications to the system after it has been delivered.
- To stay updated with the latest technological advancement and changes in the world of SAP development and adapting to these changes by self-training and research work.
- AS DMS Consultant I am responsible for the setting up of the DMS and Document Lifecycle covering documents types
- Also, as DMS Consultant I am handling integration with other modules thru object linking, version management and document structure.
