[Raghad.fawzi12@gmail.com](mailto:Raghad.fawzi12@gmail.com)

Data Science and Analytics student based at the College of Computer Science and Engineering at Jeddah University **expected to graduate date is March 2023.**

## EDUCATION

### BACHELOR OF DATA SCIENCE AND ANALYTICS, JEDDAH UNIVERSITY

GPA is 4.3 out of 5

### INTERNSHIP

My training was in **Saudi Electricity company** from 19 June to 1<sup>st</sup> of September 2022 I attended many workshops related to IT in general and worked with **PowerBI** software performing a dashboard for the company tickets and complains related to every branch of the company in every region in the Kingdom.

## SKILLS

- R
- Power BI
- Data mining
- Excel
- Database management systems
- Tableau
- Python

## ACTIVITIES

I have worked on many projects and activities starting with **analyzing Tanzania Water Points** as a **Data mining** project to **Visualizing Air Quality Data Collected at Outdoor Monitors Across the US** in **Tableau** as well as an **SQL** project about a **database for bank loans**.

My key skill is communication which got me to be a **member at the Student Council and Data Science Club** at Jeddah University and volunteering at the Tanweer team (a student initiative to develop the field of scientific research).
