Education

2016-2021

Bachelor of Computer Information System / Imam Abdulrahman Bin Faisal University | IAU

Courses

Auditing & Monitoring Networks, perimeters & systems GSNA-SANS Institute • implementing and auditing CIS critical controls GCCC– SANS Institute • Risk management • Access control • Data analysis and visualization • Internet of things (IoT) • Data management • operating system• System protection• Networks

SKILLS

- Programming
- Microsoft office
- Problem Solving
- Data analysis and design
- Cyber security analysis
- Threat analysis and detection
- Systems and networks
- Risk management
- Access control
- Team work
- Communication
- Performance management

LANGUAGES

- English
- Arabic
