Education and experience

2014
B.A. in Computer Sciences
Imam Abdulrahman bn Faisal University, Dammam, Saudi Arabia
GPA 4.63/5

2017
Trainer
Al Baha university, Al Baha, Saudi Arabia
I used to give groups of preparation year students different topics in the information technology fields.

2018
Teacher
Dar Al Faisal International School, Al Baha, Saudi Arabia
I worked as a teacher for all stages in addition to some administrative and technical work.

2020
Lecturer
Quality Education Holding Company, Al Baha, Saudi Arabia
I had to be a lecturer for 8 groups teaching them different courses related to computer science, networking, and information technology. I gave them the labs materials also. I dealt with the profs and the other instructors and leaned a lot from them.

2022
Master's in Computer Sciences and engineering
Umm Al Qura University, Makkah, Saudi Arabia
GPA 3.45/4
